

LISA CHRISTMAN SHANLEY, Ph.D.

Education:

Doctor of Philosophy, 1987. Oklahoma State University, Stillwater, OK. Major: Clothing, Textile Science, and Merchandising. Area of Specialization: Functional Design of Apparel. Minors: Statistics, Physiology, and Social Psychology.

Master of Science, 1985. Illinois State University, Normal, IL. Major: Clothing and Textile Science.

Bachelor of Science, 1982. Eastern Illinois University, Charleston, IL. Major: Fashion Merchandising. Minor: Business Administration.

Work Experience:

President and Owner, Wild Ginger Software, Inc., 1995-present. Create, develop, program, and support apparel pattern software for home, educational, and professional use. Wild Ginger Software is now the world's largest custom sized sewing pattern software company.

Associate Professor, Auburn University, 1987-1996. Taught classes in apparel design, pattern making, garment construction, and apparel production. Conducted research in apparel production, physiology, functional design of apparel, and textile science. Awarded tenure and promotion to Associate Professor Spring 1992.

Significant Honors and Awards:

Awarded College of Applied Science and Technology Distinguished Alumni Award and inducted into Hall of Fame, Illinois State University. This award recognizes outstanding contributions to the profession (2013).

Awarded College of Human Environmental Sciences Alumni Association, Oklahoma State University, Young Leader Award. This award recognizes outstanding contribution to the profession of alumni ages 35 and younger (1994).

Awarded Director's Partnership Award for Barrier Systems Team, National Textile Center Forum (Winter 1993).

Awarded NASA Space Flight Experiment to fly experimental materials on board STS 46 (July 1992).

Fellow, American Society for Engineering Education and Office of Naval Research, 1 of 8 fellows selected nationally to conduct research in physiology and protective clothing at the Naval Health Research Center in San Diego, CA (Summer 1991).

Participated in Aviation Physiology and Flight Survival Training conducted by the Naval Air Station Miramar, San Diego, CA. This training is required of all U.S. Naval Aviators and I was the only civilian invited to attend (all flight physical and training expenses covered by the U.S. Navy) (Summer 1991).

Phi Beta Delta Honor Society for International Scholars (1990-present).

Fellow, Textile/Clothing Technology Corporation (TC²), Raleigh, NC, 1 of 4 individuals selected nationally to participate in the first faculty fellowship program. TC² is a unique government/industry sponsored agency whose mission is to increase the competitiveness of the U.S. textile and apparel industry and assist educators to better prepare students for the workforce (Summer 1989).

Textbook:

Digital Flat Pattern: The Apparel Designer's Handbook by Lisa A. Shanley, Ph.D. and Rowena Aldridge. Technical Editor: Karen Campbell. Fashion illustrator: April Oakley. Published by Wild Ginger Software, Inc., Kingston Springs, TN. ©2009. ISBN: 978-0-9791044-0-4

Courses Developed and Taught:

Beginning and Advanced Pattern Making (Manual and Computerized), Draping, Beginning and Advanced Clothing Construction, Couture Sewing Techniques, Social Psychology of Dress, Clothing and Behavior, Beginning and Advanced Textiles, Apparel Product Development, Grading, Apparel Production, Apparel Quality Analysis, New York Fashion Study Trip

Online pattern making and sewing courses and videos (2005-present).

Creative Works:

Mitchell, M. & Shanley, L. (1991). Rose Fancy. Exhibited in the International Design Competition, International Textile and Apparel Association, San Francisco, CA.

Mitchell, M. & Shanley, L. (1991). Perfectly Pansy. Exhibited in the International Design Competition, International Textile and Apparel Association, San Francisco, CA.

Shanley, L. (1992). Chrysalis. Exhibited in the International Design Competition, Wearable Art Category, International Textile and Apparel Association, Columbus, OH.

Dunn, N. & Christman, L. (1990). Spectrum. Exhibited in the National Design Competition, Association of College Professors in Textiles & Clothing, Denver, CO.

Dunn, N. & Christman, L. (1990). Prism. Exhibited in the National Design Competition Association of College Professors in Textiles & Clothing, Denver, CO.

Baggett, K. & Christman, L. (1989). Harlequin Holiday. Exhibited in the National Design Competition, Association of College Professors in Textiles & Clothing, Atlanta, GA. Awarded the Charles Kleibacker Most Promising Designer Award

Baggett, K. & Christman, L. (1988). Kris Kros. Exhibited in the National Design Competition, Association of College Professors in Textiles & Clothing, New York, NY.

Selected International Journal Publications:
